

To the Members of the California State Assembly:

I am returning Assembly Bill 2099 without my signature.

As I stated in my veto message of a similar bill last year, this bill will result in parolees receiving services that are not currently available to the majority of the general public. For example, the Department of Motor Vehicles does not perform the function of determining whether or not members of the general public have the ability to pay applicable identification card fees. These services must be applied for through other governmental or non-profit public assistance programs.

For these reasons, I am returning this bill without my signature.

Sincerely,

Arnold Schwarzenegger
